

Texas Art Conservatory Course Supply Lists

Below is a list of required, suggested, and provided supplies for the Composition by Design course. With each item purchased our artists will begin to build their artist tool kit. These tool kits will continue to grow as more courses are taken. Most supplies will last longer than one course and will not need to be repurchased each time.

Amazon links are provided for each item as a suggested, but not required, place of purchase. Feel free to also shop at your local arts and crafts supply store where coupons can often be found. Required items may be substituted for items similar in quality. Artist supplies are required for the first day of class.
