

Uniform Requirements

Dress Code

Fort Worth Academy of Fine Arts (FWAFA) and its performing groups are uniformed organizations. The following provides general guidelines for all students; however, each performing group or artistic discipline may have more stringent dress code standards. Students and their families are responsible for understanding and complying with the requirements of their chosen disciplines. **In addition to the school uniform, additional uniform items, costumes and luggage may be required depending on a student's fine arts group.** The Dress Code is established to teach grooming and hygiene, prevent disruption, minimize safety hazards, and create a sense of equality and unity on our campus. Uniform compliance is a positive learning experience for students involved in professional training and will help individual students learn specific responsibilities.

Once a student is enrolled in school, he/she should obtain the required uniform items. All uniforms should be purchased at the official uniform supplier for FWAFA for everyday school wear.
