

May 11, 2020

Dear FWAFA Family,

Welcome to the start of the 2020-2021 school year! We are so excited that you are joining us for a year that promises to be the best school year yet! In this packet you will find the school supply lists for grades 3-12. Although we strive for this to be a comprehensive list, due to how fine arts and academics are scheduled and the individuality of student schedules in the middle and high school grades, these students will receive a school supply list from their assigned teachers when school starts.

To make school supply shopping easy, our Texas Boys Choir has teamed up with a bulk school supply vendor EPI. You can order the supplies online by June 7, and they will be delivered to the school. To order, click here -

If you have any questions, please let us know.

Have a wonderful summer!

Dr. Jackson
