OF THE ARTS

Texas Center for Arts + Academics

School Supplies

What:

School Supplies = \$125 per student.

- K-2nd = \$120 to Homeroom, \$5 to Fine Arts
- 3rd-5th = \$110 to Homeroom, \$15 to Fine Arts

How:

- Make a one-time payment.
- OR divide the cost into two equal payments.
- OR cash or check may be dropped off at the TeSA front office.

Why:

Teacher Perspective:

In order to maintain the most equity possible and ensure all students have access to the same supplies in the classroom, homeroom teachers use the collected school supply funds to purchase all classroom supplies in bulk. Each classroom will be slightly different, as teachers may color code items, purchase content-specific materials, and/or make personalized supplies for their homeroom.

Parent Perspective:

Save time and money! The PTO officers priced each of the supplies lists on Amazon, and they ranged from \$150-\$250. By paying through PTO, families can save \$25-\$125!

More:

School supplies are mandatory. Families who are unwilling to participate in the TeSA PTO School Supply program must email cynthia.rey@mytesa.org for a grade-specific supply list. All items on the list must be purchased in the exact colors, brands, and quantities.
